**REMARKS**

A Notice of Allowance was mailed on September 2, 2005, in the above-identified application but the issue fee has not, as of yet, been paid. As of December 2, 2005, the application unintentionally became abandoned. Immediately after the transmission of this facsimile, a separate facsimile will be transmitted to the Office of Petitions to request revival of the application and to pay the issue fee.

A review of the specification has revealed that the **CROSS-REFERENCE TO RELATED APPLICATIONS** section has not been updated with the serial numbers of co-pending sister applications and typos appear later in the specification. These matters are now sought to be corrected. In view of these minor errors, it is respectfully submitted that no new search is required and no new matter has been added.

Furthermore, Applicant respectfully requests that the inventorship of the above-referenced application be corrected. Please delete the following previously incorrectly named inventors of this application:

- Steve Kuo-Ren Hsia
